

Professional Development Opportunities On Paid Days For Eligible Occasional Teachers

Under the new collective agreement, secondary OTs who qualify will be eligible to participate in up to 2 days of professional development and receive pay for those days (please refer to Articles 20.6.1 to 20.6.3 for eligibility requirements.) Please note that PD days that occur during a long-term assignment are included in the 2 days.

Eligible OTs will be notified by First Class email prior to September 2009. The email will contain a list of options for professional development as well as instructions for registration, which will occur through the Employee Portal.

Any questions should be directed to Tony Stokes by email at tonystokes@osstf11.com.
