OSSTF DISTRICT 11 OFFICE

* 680 Industrial Road

London ON N5V 1V1

Financial issues are a significant cause of stress brought into the workplace. In this workshop we will discuss the main contributors of financial stress, including low savings, too much debt and lack of financial literacy. At Educators Financial Group, we believe that the more you know, the more confident you'll be – and we will empower you to make smart financial decisions. Topics discussed include:

- Budgeting
- Saving
- Types of accounts and investments
- Debt management
- OTPP (and OMERS if applicable)

Presented by Educators Financial Group

Caitlin Buchko, CFP®, RRC®

Financial Planner

Chris Knoch AMP, BA, BEd
